## How to Play

1. Print as many candy canes as you want (page 6)
2. Divide into two teams
3. One team hides the candy canes
4. Set a timer  and see how many candy canes the other team can find
5. Once the time is complete have everyone record the number of candy canes they found
6. Have the other team hide the candy canes and repeat
7. Play 6 rounds (12 in total) alternating between hunter and hidiers
8. At the end tally up the scores and see which team or person has won!

Use a digital version to keep track of score
