YOUR GNOME TREE

Supplies Needed:

1. Large marshmallows (2 or 3 per snowman)
2. Mini marshmallows (optional, for hats or buttons)
3. Pretzel sticks (for arms)
4. Toothpicks (for stacking)
5. Chocolate chips, mini candies, or edible markers (for faces and buttons)
6. Candy corn or orange sprinkles (for noses)
7. Icing or melted chocolate (for "gluing" pieces)
8. Small plates or napkins (for assembly)

Directions:

1. Cut the gnome door out on page 3 and place the letter in front
2. Use a toothpick to gently stack 2 or 3 large marshmallows on top of each other to form the snowman's body.
3. Carefully poke a pretzel stick into each side of the middle marshmallow to make arms.
4. Use chocolate chips, mini candies, or an edible marker to create eyes, a mouth, and buttons down the front.
5. Use a piece of candy corn, an orange sprinkle, or a small dab of orange icing for the snowman's nose.
6. Attach a mini marshmallow or candy to the top for a hat, or use a strip of licorice as a scarf. Use a little icing or melted chocolate to help pieces stick.
7. Display and Enjoy:
8. Place your finished snowman on a plate or napkin. Take a photo before eating or displaying!

Cut out and attach to a wall or paste to cardboard and lean against wall
